Southern Minnesota meal delivery service, **Infuzn Foods**, is donating 1,000 lbs. of food to Rochester families and they could use your help! They have a **GoFundMe** set up to help with the cost of these meals and they're super close to their goal.

Infuzn Foods is based out of Pine Island. They deliver freshly cooked Indian inspired ethnic foods. **Their motto** is "Indian Inspired Foods with a Global Twist".

They want to be able to provide healthy food to families in need in Rochester during this difficult time, so they set up **this GoFundMe**. As of writing this blog, they are just \$140 away from their goal of \$1,000! If you're looking to help your community and are able to donate, this is a great and easy way to help out.

WHOA: YOU HAVE TO SEE INSIDE MINNESOTA'S MOST EXPENSIVE HOUSE

Julie Regan/Lakes Sotheby's International

MN's Most Expensive House

You can find this fairytale home in Wayzata, MN and for \$13.5 million, about \$70,000 a month, this could be yours! It has 5 bedrooms, 9 bathrooms and sits on nearly 2 acres of land. With 18,000+ square feet, I think it's safe to say you would have plenty of room to quarantine with the whole family. Plus, this house has amenities for days.

Minnesota's Most Expensive Home

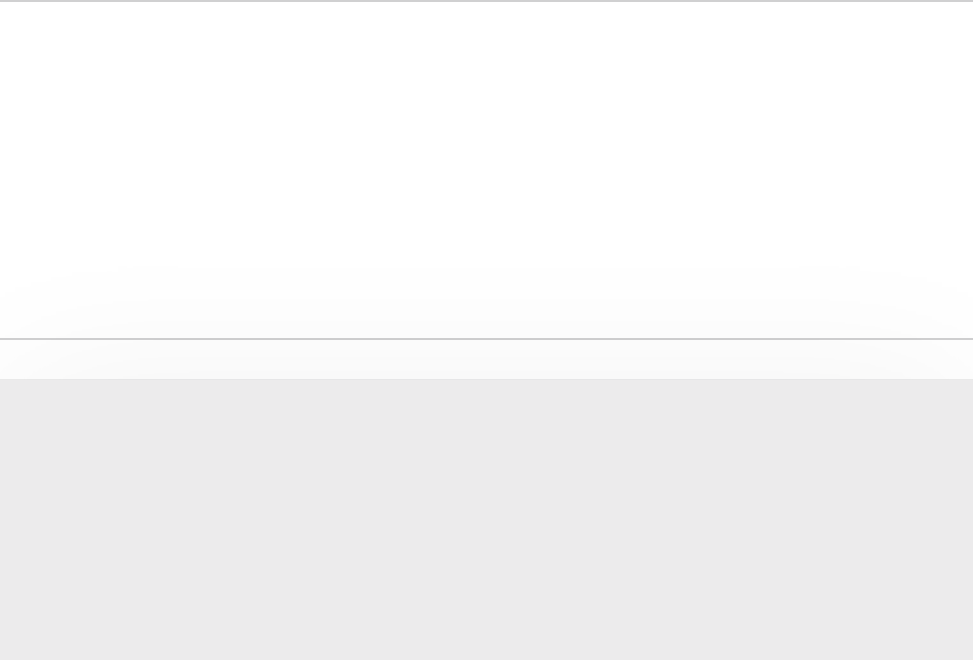

What are you feeling like today - golf? It has a golf simulator. Basketball? It has an indoor court. A movie? Of course, it has a theater room! Plus, a bowling alley, a massive pool, remarkable lake views, the most beautiful kitchen I've ever laid my eyes on, the house is just all-around stunning. Keep scrolling to see it all.

Outdoor Dreamland

Quite possibly my favorite part of the house. Imagine relaxing out there with a beer in hand on a beautiful Minnesota spring night, heck yeah!

Indoor Basketball Court

You guys, I feel like I'm at the RAC. People actually have basketball courts like this in their houses? I thought that was just in Hollywood...
